Sen. Thom Tillis' healthcare policies could have cost me my life. I'm a cancer survivor. If I didn't have health insurance, I would probably be dead. Sen. Tillis, you should not play politics with people's lives."

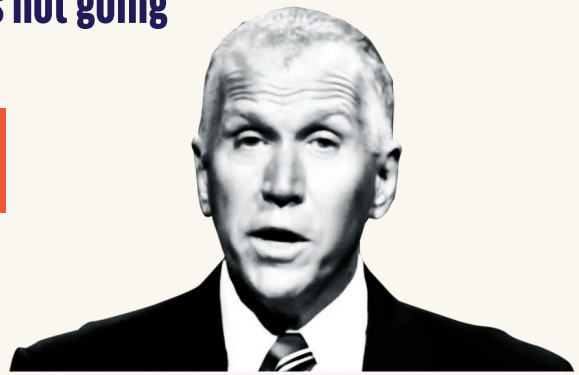
We need a senator who will put our healthcare needs above the insurance companies and special interests who fund their campaigns. We need a senator who's not going to play politics with our healthcare.

We need **Cal Cunningham.**



CAL CUNNINGHAM

- ✓ Wants to strengthen and extend coverage under the Affordable Care Act
- ✓ Will fight to expand and protect Medicaid and Medicare in North Carolina
- ✓ Will fight to ensure that no one loses their employer-sponsored coverage if they want to keep it
- ✓ Will fight to clean up pollution in our air and water that can cause cancer, heart disease and asthma attacks, and is more likely to impact Black and Latinx communities

SEN. THOM TILLIS

- ✗ Tillis called the **Affordable Care Act "disastrous"** even though it has been a lifesaver for many people[1]
- ✗ Called himself "courageous" for **voting to gut healthcare protections for people with pre-existing conditions**[2]
- ✗ Voted to partially or **fully repeal the Affordable Care Act** 20 times[3]
- ✗ Sides with corporate polluters letting toxic cancer-causing chemicals into our air and water[4]
