

OUR GREATEST
THREAT

CLIMATE CHANGE

HOW CAN WE PROTECT OUR FUTURE?

CLIMATE CHANGE CAUSES EXTREME WEATHER

FREEZING

DEEPER

SCORCHING

SURGING

WINTERS

FLOODS

WILDFIRES

STORMS

WE CAN AND MUST PROTECT OUR FUTURE

THE NEXT GENERATION DEPENDS
ON US TO PREVENT IRREVERSIBLE
DAMAGE TO OUR PLANET.

MANDELA BARNES

TAKING ON THE CLIMATE CRISIS NOW

He knows climate change is a real, existential threat to Wisconsin, our nation, and our world. That's why he is a champion for legislation to protect our planet and our future.

He supported a plan to jumpstart clean energy and make our energy infrastructure safer and better able to handle the impacts of extreme weather like wildfires, droughts, hurricanes, and floods.

MANDELA BARNES

SUPPORTED DEMOCRATS' CLIMATE CHANGE PLAN

THAT PUTS OUR NATION ON THE PATH TO:

cutting pollution
nearly in half
by 2030

reducing
energy bills
for working
families

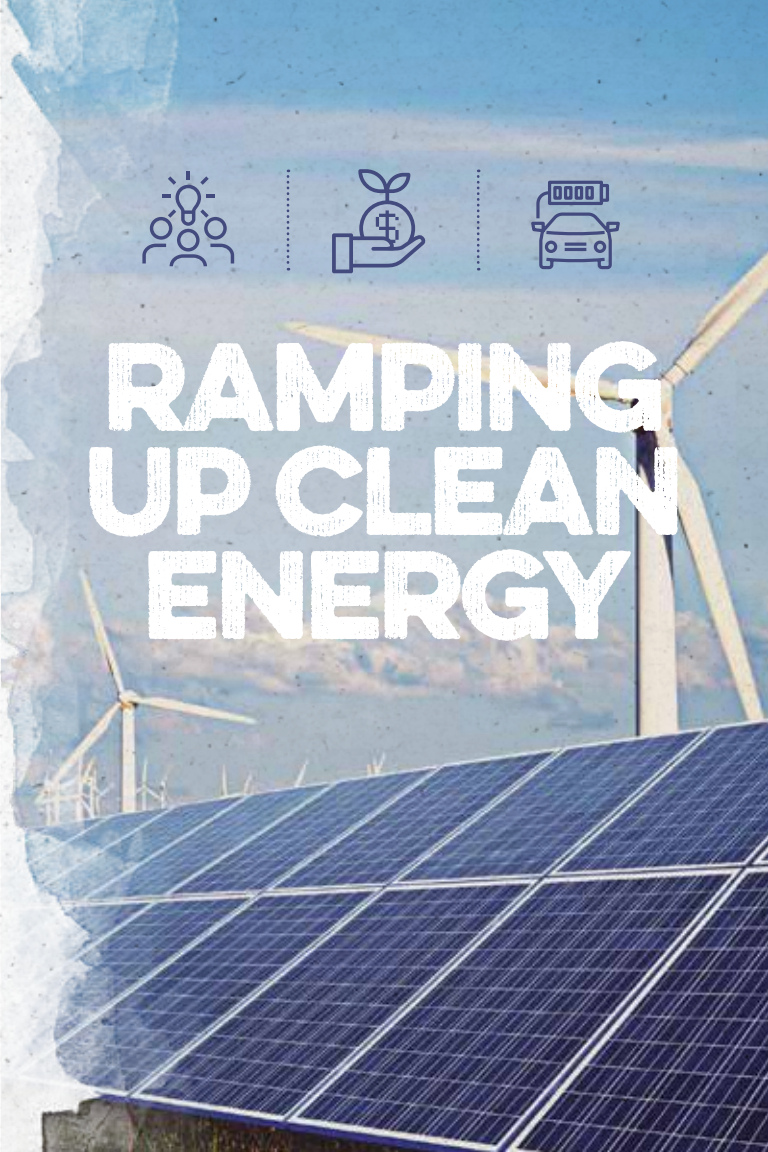

creating millions of
good paying jobs

moving past
our dangerous
dependency
on fossil fuels

RAMPING UP CLEAN ENERGY

we can elect

LEADERS
WHO ARE
PROTECTING
OUR FUTURE

FROM CLIMATE CHANGE IMPACTS
